

Friends,

We are so excited about the upcoming production of Disney's Descendants, the Musical! We have a cast and crew of nearly 150 people, which promises to be a maleficent production!

As always, we do cast everyone here at The Stage Theater Co. We want everyone to be part of the magic. While you may not have received the exact part you wanted, please know it takes a village to put on a production like this. There are no roles more important, or less important, as each role contributes to the overall storyline.

We were absolutely amazed at the talent you brought during auditions, and we want to take that energy and put it into the best production possible! We cannot wait to get started!

Below, you will find the Cast List for Disney's Descendants, the Musical. Please read through the list carefully, as many have multiple roles in the production!

Things to Do:

1. Review the cast list for all your roles.
2. [Click Here](#) to either accept or deny your role in this production.
3. Attend the Cast Meeting, scheduled for Sunday, February 9th at The Floor (Where you had auditions). Those with the last name starting with A-K will meet at 2:30pm. Those with the last name starting with L-Z will meet at 4pm. It should take about 40 minutes to complete paperwork, obtain measurements, and get all the information you need to get started, including rehearsal and fundraising info. If you are under the age of 18, please make sure to bring a parent or guardian with you to complete the paperwork.
4. If you have questions, you have the opportunity to put those in the form you complete in step #2.
